

Important information on COVID-19

MTY FOOD GROUP temporarily closes our offices across Canada

March 24, 2020

As the situation with COVID-19 continues to evolve day-to-day, our top priority during these challenging times continues to be the health and safety of our staff, guests, franchisees and business partners.

Our communities are working hard to prevent the spread of COVID-19, and to support these efforts, we will temporarily close all our offices until further notice to support social distancing efforts and based on recommendations from local health authorities.

MTY is committed to supporting our franchisees as well as our communities. We have implemented precautionary measures in all of our restaurants that are still operating and will continue to work with local our partners to continue to offer Pick up and home delivery services.

We remain hopeful that the situation will improve in the near term and look forward to welcoming our guests back into our restaurants soon. We thank you for your understanding during these extraordinary circumstances.

Please stay safe,

The MTY Team.
