

Important information on COVID-19

MTY FOOD GROUP temporarily closes our offices across Canada

March 24, 2020

As the situation with COVID-19 continues to evolve day-to-day, our top priority during these challenging times continues to be health and safety of our staff, guests, franchisees and business partners.

Our communities are working hard to prevent the spread of COVID-19, and to support these efforts, we will temporarily close all our offices until further notice to support social distancing efforts and based on recommendations from local health authorities.

MTY will continue and is committed in supporting the communities and our franchisees in which it serves and will work with our local partners to continue to offer Pick up and home delivery services.

We look forward to welcoming customers back to our restaurants soon and we thank you for your understanding during these extraordinary circumstances.

Please stay safe,

The MTY Team
