VOTING VIRTUALLY AT THE MEETING

A registered shareholder of Common Shares (a “Registered Shareholder”), or a Beneficial Shareholder who has appointed themselves or a third party proxyholder to represent them at the meeting, will appear on a list of shareholders prepared by Computershare, the transfer agent and registrar for the meeting. To have their Common Shares voted at the meeting, each Registered Shareholder or proxyholder will be required to enter their control number or username provided by Computershare at <https://web.lumiagm.com/173496165> prior to the start of the meeting if attending virtually. In order to vote, Beneficial Shareholders who appoint themselves as a proxyholder MUST register with Computershare at <http://www.computershare.com/MTY> after submitting their voting instruction form in order to receive a username. If a third party proxyholder is attending the meeting in person, you DO NOT need to register the appointment.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Corporation. The Corporation will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to Beneficial Shareholders held of records by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard. "Beneficial Shareholders" means shareholders who do not hold Common Shares in their own name and "intermediaries" refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

The Corporation is not relying on the notice-and-access provisions of National Instrument 54-101 to send proxy-related materials to Registered Shareholders or beneficial owners of shares in connection with the Meeting.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the "Proxy") are directors or officers of the Corporation. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting. Registered Shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Corporation's transfer agent, Computershare, by mail, courier or hand delivered to 8th Floor, 100 University Avenue, Toronto, Ontario, Canada M5J 2Y1;
- (b) using a touch-tone phone to transmit voting choices to a toll-free number at 1-866-732-8683 for Canada and the United States or 1-312-588-4290 for all other countries and following the instructions of the voice response system by providing the control number on the proxy form on the lower left-hand side. Instructions are then conveyed by use of the touchtone selections over the telephone; or
- (c) using the internet at <http://www.investorvote.com>. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the control number;

in all cases ensuring that the proxy is received by no later than 1:00 p.m. (Eastern time) on April 29, 2020, or if the Meeting is adjourned or postponed, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, before the commencement of such adjourned or postponed meeting.

Registered Shareholders who wish to appoint a third-party proxyholder to represent them at the online meeting **must submit their proxy or voting instruction form (if applicable) prior to registering their proxyholder. Registering your proxyholder is an additional step once you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a username to participate in the meeting.** To register a proxyholder, shareholders MUST visit <http://www.computershare.com/MTY> by 1:00 p.m. (Eastern time) on April 29, 2020, and provide Computershare with their proxyholder's contact information, so that Computershare may provide the proxyholder with a username via email. If a third party proxyholder is attending the meeting in person, you DO NOT need to register the appointment.

If a shareholder who has submitted a proxy attends the meeting via the webcast and has accepted the terms and conditions when entering the meeting online, any votes cast by such shareholder on a ballot will be counted and the submitted proxy will be disregarded.

**Without a username, proxyholders will not be able to participate online at the meeting.
Beneficial Shareholders**

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Corporation as the registered holders of Common Shares).

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as a nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners).

The Corporation is taking advantage of the provisions of National Instrument 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (a "VIF") from our transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These security holder materials are being sent to both registered and non-registered owners of the securities of the Corporation. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to Registered Shareholders by the Corporation. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”) in Canada and in the United States. Broadridge mails a VIF in lieu of a proxy provided by the Corporation. The VIF will name the same persons as the Corporation’s Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Corporation), other than the persons designated in the VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. If you receive a VIF from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

Beneficial Shareholders wishing to attend the meeting virtually who do not have a 15-digit control number or username will only be able to attend as a guest which allows them to listen to the meeting but not to vote or submit questions.

To attend and vote at the Meeting virtually, United States beneficial holders must first obtain a valid legal proxy from their broker, bank or other agent and then register in advance to attend the hybrid Meeting. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a legal proxy form. After first obtaining a valid legal proxy from your broker, bank or other agent, to then register to attend the hybrid Meeting, you must submit a copy of your legal proxy to Computershare. Requests for registration should be directed to:

Computershare
100 University Avenue
8th Floor
Toronto, Ontario
M5J 2Y1
OR
Email at service@computershare.com

Requests for registration must be labelled as “Legal Proxy” and be received no later than 1:00 p.m. (Eastern time) on April 29, 2020. You will receive a confirmation of your registration by email after we receive your registration materials. You may attend the hybrid Meeting and vote your shares at <https://web.lumiagm.com/173496165> during the meeting. Please note that you are required to register your appointment at <http://www.computershare.com/MTY>.

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare at 8th Floor, 100 University Avenue, Toronto, Ontario, Canada M5J 2Y1, or at the address of the head office of the Corporation, at 8210 route Transcanadienne, Saint-Laurent, QC, H4S 1M5, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the Registered Shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

For shareholders voting virtually, if you are using a 15-digit control number to log in to the online meeting and you accept the terms and conditions, you will be revoking any and all previously submitted proxies. However, in such a case, you will be provided the opportunity to vote by ballot on the matters put forth at the meeting. No proposed director of the Corporation has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or been subject to any other penalties or sanctions imposed by a court or regulatory body that would be likely to be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Cease Trade Orders and Bankruptcies

No proposed director of the Corporation is, as of the date of this Information Circular, or has been, within ten years before the date of this Information Circular, a director or chief executive officer or chief financial officer of any company (including the Corporation) that: (i) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or (ii) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

No proposed director of the Corporation is, as at the date of this Information Circular, or has been, within ten years before the date of this Information Circular, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

For the purpose of the above paragraphs, “order” means a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days.

Personal Bankruptcies

No proposed director of the Corporation has, within the ten years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Conflicts of Interest

Conflicts of interest may arise as a result of the directors of the Corporation also holding positions as directors or officers of other companies. Some of the directors and proposed directors of the Corporation have been and will continue to be engaged in the identification and evaluation of assets, businesses and companies on their own behalf

and on behalf of other companies, and situations may arise where the directors and officers of the Corporation will be in direct competition with the Corporation. Conflicts, if any, will be subject to the procedures and remedies provided under the *Canada Business Corporations Act*. Directors who are in a position of conflict will abstain from voting on any matters relating to the conflicting situation.

Majority Voting for Directors

The Board has adopted a policy stipulating that if the votes in favour of the election of a director nominee at a shareholders' meeting represent less than a majority of the total common shares voted and withheld, the nominee will offer his or her resignation promptly after the meeting. The Board's decision to accept or reject the resignation offer will be disclosed to the public within 90 days of the applicable shareholders' meeting, together with the voting results for each director. The Corporation will promptly issue a news release with the Board's decision to accept or reject a director's resignation, a copy of which must be provided to the TSX. If the Board determines not to accept a resignation, the news release must fully state the reasons for that decision. Resignations must be accepted, except in situations where exceptional circumstances would warrant the applicable director to continue to serve as a member of the Board. The nominee will not participate in any committee or Board deliberations on the resignation offer. The policy does not apply in circumstances involving contested director elections.

APPOINTMENT OF AUDITOR

PricewaterhouseCoopers LLP, Chartered Professional Accountants, will be nominated at the Meeting for appointment as auditor of the Corporation to hold office until the next annual general meeting of the shareholders. The persons named in the enclosed form of proxy (provided the same is duly executed in their favour and is duly deposited) intend to vote for the appointment of PricewaterhouseCoopers LLP as auditor of the Corporation. PricewaterhouseCoopers LLP was first appointed by the Board of Directors as the auditor of the Corporation on March 14, 2018.

FINANCIAL STATEMENTS

The financial statements of the Corporation for the fiscal year ended November 30, 2019, and the auditor's report thereon will be placed before the shareholders at the Meeting for their consideration. No formal action will be taken at the Meeting to approve the financial statements. If any shareholder has questions regarding such financial statements, such questions may be brought forward at the Meeting.

CORPORATE GOVERNANCE

Corporate governance refers to the policies and structure of the board of directors of a corporation, whose members are elected by and are accountable to the shareholders of the corporation. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board of the Corporation is committed to sound corporate governance practices; as such practices are both in the interests of shareholders, and help to contribute to effective and efficient decision-making.

Constitution and Independence of the Board

On an annual basis, the Board reviews each relationship that a director has with the Corporation in order to determine whether the director is or remains independent. Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A "material relationship" is defined in National Instrument 52-110 *Audit Committees* to mean any relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board is currently comprised of seven persons, of whom four are independent directors. The following table outlines the Corporation's current independent and non-independent, executive directors and the basis for a determination that a director is non-independent.

Directors are regularly briefed by senior management team on strategic issues affecting the Corporation, and these briefings include reviews of the competitive environment, the Corporation's performance relative to its peers, and any other developments that could materially affect the Corporation's business. The Board will also ensure that directors are able to attend conferences or other similar events to participate in continuing education in matters relevant to their role as directors.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interest of the Corporation.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Corporation, this policy will be reviewed.

Committees

The Board has no other committees than the Audit Committee.

Audit Committee

The members of the Audit Committee are Murat Armutlu, Dickie Orr, David Wong and Gary O'Connor, all of whom are independent directors. A member of the audit committee is independent if the member has no direct or indirect material relationship with the Corporation. A material relationship means a relationship which could, in the view of the Corporation's Board, reasonably interfere with the exercise of a member's independent judgement. All members of the Audit Committee are financially literate. A member of the audit committee is considered financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation.

The Audit Committee's mandate and responsibilities are detailed in its Charter, and include assisting in the identification of the principal risks of the Corporation's business and, with the assistance of management, establishing procedures to ensure that these risks are monitored and managed; overseeing the work of the external auditor engaged for the purpose of preparing or issuing an audit report or related work; recommending to the Board the nomination and compensation of the external auditor; approving all non-audit services to be provided by the external auditor; and reviewing and recommending approval of the Corporation's financial statements, reviewing management's discussion and analysis and earnings press releases before the Corporation publicly discloses this information and satisfying itself that all regulatory compliance matters have been considered in the preparation of the financial statements of the Corporation. A new Audit Committee Charter was adopted on October 17, 2019, the full text of the Audit Committee Charter is attached as Schedule "A" to this Information Circular.

The Board, through the Audit Committee, is responsible for the integrity of the internal control and management information systems of the Corporation. The Audit Committee meets at least quarterly to review quarterly financial statements and management's discussion and analysis and meets regularly with the Corporation's external auditor. There have been no instances in which the Board has not accepted a recommendation of the Audit Committee to nominate or compensate any external auditor. All non-audit services provided to the Corporation or its subsidiaries by external auditors must be pre-approved by the Audit Committee.

Further information concerning the Audit Committee and its members is contained in the Corporation's Annual Information Form for the year ended November 30, 2019, under "Audit Committee Information" (pages 39 – 41), incorporated by reference herein, and which is available on SEDAR under the Company's profile filed on February 24, 2020, and may be accessed at www.sedar.com. In particular, details concerning the external auditor's fees for the past two years are shown at page 37 of the Annual Information Form.

Compensation and Governance

The Corporation does not have a separate Compensation Committee, and in result the entire Board of directors is responsible for, among other things, evaluating the performance of the Corporation's executive officers, determining or making recommendations with respect to the compensation of the Corporation's executive officers, making recommendations with respect to director compensation, incentive compensation plans and equity-based plans, making recommendations with respect to the compensation policy for the employees of the Corporation or its subsidiaries and ensuring that the Corporation is in compliance with all legal requirements with respect to compensation disclosure. In performing its duties, the Board has the authority to engage such advisors, including executive compensation consultants, as it considers necessary.

The Board is currently composed of seven (7) directors, of whom Murat Armutlu, Dickie Orr, David K. Wong and Gary O'Connor are independent directors within the meaning set out in NI 58-101. Eric Lefebvre is not independent since he serves as Chief Executive Officer of the Corporation and Stanley Ma and Claude St-Pierre are not independent since they are employees of the Corporation. All of the members of the Board are experienced participants in business or finance.

The Board does not have a predetermined compensation plan. The Corporation does not engage in benchmarking practices and the process for determining executive compensation is at the discretion of the Board. The Board has not

engaged the services of independent compensation consultants to assist it in making recommendations with respect to director and executive officer compensation.

Assessments

Due to the minimal size of the Corporation's Board, no formal policy has been established to monitor the effectiveness of the directors, the Board and its Audit Committee. The Board as a whole is responsible for the Corporation's approach to corporate governance, committee and individual director effectiveness issues on a continuous basis. Mr. Stanley Ma, President of the Corporation, acts as Chairman of the Board. The Board considers this to be an appropriate role for Mr. Stanley Ma at this stage in the Corporation's development. The Board has functioned, and is of the opinion that it can continue to function, independently as required. When necessary or desirable, the Board will establish committees composed of members who are independent with respect to the issue to be determined.

The Board, together with the Chairman of the Board, monitors the size of the Board to ensure effective decision-making.

Term Limits

The Board has not adopted a formal term limit for directors. The Board strives to be constituted to achieve a balance between experience and the need for renewal and fresh perspective. The Board believes, however, that the imposition of director term limits on a board implicitly discounts the value of experience and continuity amongst Board members and runs the risk of excluding experienced and potentially valuable Board members as a result of an arbitrary determination. The Board believes that it is better served with a regular assessment of the effectiveness of the Board, Board committee and individual directors rather than on arbitrary term limits.

Corporate and Board Diversity

The Corporation recognizes the value of individuals with diverse attributes on the Board and in senior management positions. Diversity has always been an important part of the Corporation's culture and its operations to enable it to better understand and serve its consumers by ensuring that the composition of the organization reflects its wide customer base. The Corporation not only promotes gender diversity in the organization, but also, among others, ethnic, age, disability, language, sexual orientation and religious diversity. However, the Corporation does not believe that a written policy is the best way to achieve the Corporation's diversity or business objectives at its current stage of development. Consequently, the Corporation has not fixed any target nor adopted policies related to diversity, whether at the Board of Directors or senior management levels. We refer to diversity within "designated groups" as defined under Article 3 of the *Employment Equity Act* (Canada) which includes women, aboriginal peoples (being Indians, Inuit or Métis), persons with disabilities and members of visible minorities (persons other than aboriginal peoples who are non-Caucasian in race or non-white in color) ("Visible Minorities"). "Persons with disabilities" is defined as meaning persons who have a long-term or recurring physical, mental, sensory, psychiatric or learning impairment and who: (i) consider themselves to be disadvantaged in employment by reason of that impairment; or (ii) believe that an employer or potential employer is likely to consider them to be disadvantaged in employment by reason of that impairment. This definition also includes persons whose functional limitations owing to their impairment have been accommodated in their current job or workplace.

In its search for candidates for positions as a member of the board, the Board would analyze candidates based on the skills and the qualities that the Board of Directors should consider, the needs at the Audit Committee level, without bias regarding any designated group. No target has been fixed with respect to any of the designated groups, the choice of candidates being more linked to the needs of the Corporation, the experience, the judgment, the values, the skills and personal qualities of the candidates. The Corporation has adopted the same principles regarding research and hiring of senior management.

Board Diversity:

As of the date of this Information Circular:

Of our seven directors, one (14.3%) is a woman and three (42.9%) are members of visible minorities, none are either an aboriginal person or a person with disabilities.

Senior Management Diversity:

For purposes of the CBCA diversity disclosure requirements, “senior management” has the same meaning as “executive officers” as defined under provincial and territorial rules in subsection 1.1(1) National Instrument 51-102 Continuous Disclosure Obligations. Our senior management consists of our CEO, our CFO, our four COO’s, our seven Senior Vice Presidents, our six Vice-President and our Global Vice President. As of the date of this Management Information Circular.

Of our twenty senior management positions, ten (50%) are held by women and four (20%) are members of visible minorities. None of our senior management positions are held by a person with disabilities and none of our senior management positions are held by an aboriginal person.

EXECUTIVE COMPENSATION

The following relates to the compensation of our named executive officers for the fiscal year ending November 30, 2019. Our “Named Executive Officers” (“NEO”), being our current CEO, our current CFO and three most highly compensated executive officers of the Company, including any of its subsidiaries, who each earned total compensation that exceed \$150,000 for the fiscal year ended November 30, 2019, are:

- Eric Lefebvre, Chief Executive Officer (since November 2018) and former Chief Financial Officer (from June 2012 to November 2018);
- Renée St-Onge, Chief Financial Officer (since November 2018) and former Controller (from May 2012 to November 2018);
- Marie-Line Beauchamp, Chief Operating Officer, Casual Dining (since March 2018);
- Marc Benzacar, Chief Operating Officer, Fast Casual Restaurants (since November 2018) and former Sr. Vice-President, Sushi Shop (from May 2008 to November 2018); and
- Jason Brading, Chief Operating Officer, Quick Service Restaurants (since November 2018) and former Brand Vice-President (from April 2014 to November 2018).

Compensation Discussion and Analysis

In assessing the compensation of its executive officers, and due to the present stage of development of the Corporation, the Corporation does not have in place any formal objectives, criteria or analysis; instead, it relies mainly on discussions at the Board level concerning the Corporation’s strategic business and capital plans.

The Corporation’s executive compensation program has three principal components: base salary, incentive bonuses and could include incentive stock options. The determination and administration of base salaries or incentive bonuses, or both, are discussed in greater detail below. When appropriate to do so, incentive bonuses in the form of cash payments, are designed to add a variable component of compensation, in addition to stock options, based on corporate and individual performances for Named Executive Officers, and may or may not be awarded in any financial year. The Corporation has no other forms of compensation for its NEOs, although payments may be made from time to time to individuals who are NEOs or companies they control, for the provision of consulting services. Such consulting services are paid for by the Corporation at competitive industry rates for work of a similar nature by reputable arm’s length services providers.

The Corporation’s executive compensation program is administered by the Board of Directors and is designed to provide incentives for the sustainable enhancement of shareholder value. The overall objectives are to attract and retain qualified executives critical to the success of the Corporation, to provide fair and competitive compensation, to align the interest of management with those of the Shareholders and to reward corporate and individual performance.

The Corporation bases the compensation for a NEO on the years of service with the Corporation, responsibilities of each officer and their duties in that position. The Corporation also bases compensation on the performance of each officer. The Corporation believes that stock options can create a strong incentive to the performance of each officer and they are intended to recognize extra contributions and achievements towards the goals of the Corporation.

The Board, when determining cash compensation payable to a NEO, takes into consideration their experience in the franchising industry, as well as their responsibilities and duties and contributions to the Corporation's success. Named Executive Officers receive a base cash compensation that the Corporation feels is in line with that paid by similar reporting or non-reporting companies in the applicable geographical area and the Corporation's experience from past acquisitions, subject to the Corporation's financial resources; however, no formal survey was completed by the Board.

In performing its duties, the Board has considered the implications of risks associated with the Corporation's compensation policies and practices. At its current stage of development and considering its current compensation policies, the Corporation currently has no compensation policies or practices that would encourage an executive officer or other individual to take inappropriate or excessive risks. A NEO or director is permitted for his or her own benefit and at his or her own financial risk, to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units or exchange funds, that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

The table below illustrates the proportion of each compensation component comprising the total direct compensation of the Named Executive Officers at target level for the fiscal year ending November 30, 2020:

	Base salary (%)	Target cash short term incentive	Target long-term cash incentive
Eric Lefebvre	100%	0%	0%
Renée St-Onge	80%	20%	0%
Marie-Line Beauchamp	60%	40%	0%
Jason Brading	75%	25%	0%
Marc Benzacar	75%	25%	0%

For 2020, the short-term cash incentives are based on achieving certain levels of organic growth in EBITDA, in business units or brands EBITDA targets and organic free cash flows growth, as well as on new store openings. The long-term cash incentive awards were abolished. The target levels are determined by the Board of Directors.

Compensation Objectives

The Board considers the following objectives when reviewing annual compensation: (i) retaining individuals critical to the growth and overall success of the Corporation; (ii) rewarding achievements of individuals; (iii) providing fair and competitive compensation; (iv) compensating individuals based on their performance; and (v) balancing the interests of management and shareholders of the Corporation. In order to achieve these objectives, the compensation paid to the Corporation's executive officers consists of three components: (i) a base salary; and, as the case may be, (ii) short- and/or long-term cash incentive; and/or (iii) a long-term incentive in the form of stock options under the Corporation's stock option plan.

Base Salary

The base salary of each of the Corporation's NEOs is set by the Board of Directors following an annual performance review. The Board considers the foregoing compensation philosophy, as well as the financial performance of the Corporation as a whole, in any review of base salaries. In addition, the base salary review for each NEO is based on assessment of factors such as current market conditions, and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual.

Short and Long-term Cash Incentives

The Corporation provides for the payment of cash bonuses to certain employees of the Corporation and its subsidiaries dependent on the performance of the Corporation and such employees. Such bonuses are generally based on the financial and operating performance of the Corporation on a consolidated basis and of certain business units or brands. For 2019, the short-term cash incentives were based on achieving certain levels of organic growth in EBITDA and in business units or brands organic free cash flows, as well as on new store openings. The long-term cash incentives were based on achieving certain levels of business units or brands organic system sales growth and in business units or brands organic free cash flows. The target levels are determined by the Board of Directors.

During 2019, two of our four COO's qualified for a portion of their short term incentive plan awards based on the performance of their respective business units or brands. The Corporation did not meet its growth objectives and as such no short-term incentive payments were made in relation to consolidated objectives.

Long-term Incentives

The Corporation has in place its stock option plan to directly focus on the long-term performance and to encourage ownership interest in the Corporation. The Corporation's stock option plan is a long-term incentive program that enables officers, directors, employees and consultants of the Corporation and its subsidiaries to acquire shares of the Corporation. The objective of granting such options is to encourage individuals to acquire an increased ownership interest in the Corporation, which acts as a financial incentive for the individuals to consider the long-term interests of the Corporation and its shareholders. Stock options if granted to executives and employees would take into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and competitive factors. The amounts and terms of options granted are determined by the Board.

Stock Option Plan

On March 16, 2016, the Board adopted, an incentive stock option plan (the "2016 Plan") which was subsequently approved by the Corporation's shareholders on May 4, 2016. For the purposes of this section "Shares" means the Common Shares in the capital of the Corporation.

The purpose of the 2016 Plan is to advance the interests of the Corporation by: providing eligible persons, being directors, employees, officers or consultants (as defined in the 2016 Plan) of the Corporation or its affiliates (collectively, the "Eligible Persons") with additional incentives through equity ownership; increasing the proprietary interest of Eligible Persons in the success of the Corporation; encouraging Eligible Persons to remain with the Corporation or its affiliates as directors, employees, officers or consultants; and attracting new directors, employees, officers and service providers.

Options may be granted to Eligible Persons. Subject to the provisions of the 2016 Plan, the Board shall have the authority to determine the terms, limitations, restrictions and conditions, applicable to the vesting or to the exercise of an Option, including without limitation, the nature and duration of the restrictions, if any, to be imposed upon the sale or other disposition of Shares acquired upon exercise of the Option. An Eligible Person may receive Options on more than one occasion under the 2016 Plan and may receive separate Options on any one occasion.

Each Option granted pursuant to the 2016 Plan will vest at the rate of $\frac{1}{8}$ of the original number granted, every 6 months from the date of the grant, until fully vested at the 48th month following the date of the grant, unless otherwise specifically determined by the Board.

The aggregate number of Shares to be reserved for exercise of all Options granted under the 2016 Plan and any other security-based compensation arrangements of the Corporation shall not exceed 500,000 Shares (on a non-diluted basis).

The maximum number of Shares issuable to any one person under the 2016 Plan, including the aggregate number of Shares reserved for issuance to such person under any other security-based compensation arrangements of the Corporation, shall be 10% of the Shares issued and outstanding at the time of the grant (on a non-diluted basis).

The maximum number of Shares issuable to insiders under the 2016 Plan and any other security-based compensation arrangement of the Corporation shall be 10% of the Shares issued and outstanding at the time of the grant (on a non-diluted basis). The maximum number of Shares which may be issued to insiders under the 2016 Plan and any other security-based compensation arrangements of the Corporation within a 12-month period shall be 10% of the Shares, issued and outstanding at the time of the issuance (on a non-diluted basis).

Each Option shall be confirmed by an option agreement or option grant letter or other form of confirmation (electronic or otherwise) as prescribed by the Board from time to time. The Board will establish the exercise price of an Option at the time each Option is granted. The exercise price may not be less than the Market Price, being the closing price of the Shares on the TSX for the last trading day preceding the date of the grant. In the event that such Shares did not trade on such day, the Market Price shall be the average of the bid and ask prices in respect of such Shares at the close of trading on such date. In the event that such Shares are not listed and posted for trading on any stock exchange, the

Market Price in respect thereof shall be the fair market value of such Shares as determined by the Board in its sole discretion.

Options granted must be exercised no later than ten years after the date of grant or such lesser period as the Board may approve. In the event that any Option expires during a Corporation-imposed blackout period on the trading of securities of the Corporation, such expiry will become the tenth business day after the end of the blackout period.

As a condition of and prior to participation in the 2016 Plan, any Optionee shall on request authorize the Corporation in writing to withhold from any remuneration otherwise payable to the Optionee, any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of the Optionee's participation in the 2016 Plan.

Subject to specific exceptions and restrictions outlined in the 2016 Plan, Options are not assignable, and will terminate if a person ceases to be an Eligible Person for any reason other than death or an employee being terminated without cause, and their Options will be cancelled upon the earlier of 30 days after ceasing to be an Eligible Person, and the expiry date of the Option. In the case of the termination of an employee without cause, the Option will be cancelled upon the earlier of 90 days after ceasing to be an Eligible Person, and the expiry date of the Option. In the case of the death of the Eligible Person, the Option will be cancelled after twelve (12) months following the date of death.

Options shall be non-assignable and non-transferable by the Participants, otherwise than by will or the laws of descent and distribution, and shall be exercisable only by the Eligible Person during the lifetime of the Eligible Person or only by the Eligible Person's legal representative after death of the Eligible Person (in accordance with the 2016 Plan). Notwithstanding, Options may be assigned by an Eligible Person to whom an Option has been granted to a Permitted Assign (as such term is defined in the 2016 Plan, being the trustee of an RRSP or RRIF of the Eligible Person) of such Eligible Person, following which such Options shall be non-assignable and non-transferable by such Permitted Assign, except to another Permitted Assign, otherwise than by will or the laws of descent and distribution, and shall be exercisable only by such Permitted Assign during the lifetime of such Permitted Assign and only by such Permitted Assign's legal representative after death of such Permitted Assign.

Subject to any applicable regulatory or stock exchange requirements or restrictions of the 2016 Plan, the Board may at any time and without shareholder approval, terminate the 2016 Plan or amend the provisions of the 2016 Plan or any Options granted under it, including without limitation, amendments:

1. to change the expiry date, include a cashless exercise feature where payment is in cash or Shares or otherwise, alter the vesting conditions, and/or change the exercise price of Options granted to Eligible Persons, other than Options granted to insiders of the Corporation ("Insiders");
2. deemed by the Board to be necessary or advisable because of any change in applicable securities laws or other laws;
3. to the definitions in the 2016 Plan;
4. to the change of control provisions in the 2016 Plan;
5. relating to the administration of the 2016 Plan;
6. to the vesting provisions of any outstanding Option;
7. to postpone or adjust any exercise of an Option or the issuance of any Shares pursuant to the 2016 Plan in order to permit the Corporation to effect or maintain registration of the 2016 Plan or the Shares issuable pursuant to the 2016 Plan under the securities laws of any applicable jurisdiction, or to determine that the Shares and the 2016 Plan are exempt from such registration; or
8. fundamental or otherwise, not requiring Shareholder approval under applicable law or the rules of an Exchange, including amendments of a "clerical" or "housekeeping" nature and amendments to ensure that the Options granted under the 2016 Plan will comply with any provisions respecting income tax and other laws in force in any country or jurisdiction of which an Eligible Person may from time to time be resident or a citizen.

Notwithstanding the foregoing, the Board may not amend the following provisions of the 2016 Plan or Options without first having obtained the approval of a majority of disinterested shareholders (i.e., shareholders who are not directly or indirectly insiders of the Corporation) voting at a duly called and held meeting of shareholders:

1. any reduction in the Option Price of an Option, if the Optionee is an Insider of the Corporation at the time of the proposed amendment;
2. any extension of the term of an Option, if the Optionee is an Insider of the Corporation at the time of the proposed amendment;
3. any amendment to the Insiders' participation limits set out under the subheading, "Securities Issuable under the 2016 Plan" above;
4. any increase in the maximum number of Shares issuable under the 2016 Plan;
5. an increase in the ability of the Board to amend the 2016 Plan without shareholder approval;
6. the definitions of "Eligible Person" and "Permitted Assigns";
7. the transfer provisions of the 2016 Plan; or
8. in all other circumstances where disinterested shareholder approval is required by any stock exchange on which the Shares are listed, or by any applicable securities legislation.

Any Option granted under the 2016 Plan may include a stock appreciation right, either at the time of grant or by amendment adding it to an existing Option subject, however, to the grant of such stock appreciation right being in compliance with the applicable regulations and policies of any stock exchange or exchange upon which any securities of the Corporation may from time to time be listed. Stock appreciation rights granted under the 2016 Plan are exercisable to the extent, and only to the extent, the Option to which it is included is exercisable. To the extent a stock appreciation right included in or attached to an Option granted under the 2016 Plan is exercised, the Option to which it is included or attached shall be deemed to have been exercised to a similar extent.

A stock appreciation right granted under the 2016 Plan shall entitle the Optionee to elect to surrender to the Corporation an unexercised Option in which it is included and to receive from the Corporation in exchange therefore that number of Shares, having an aggregate value equal to the excess of the market value of one Share over the purchase price of one Share specified in such Option, multiplied by the number of Shares called for by the Option which is so surrendered, divided by the market value of one Share (Number of Shares = Number of Options exercised X the difference between the market value and the Option Price divided by the market value). The "market value" of a Share shall be determined for these purposes by the weighted average sale price per Share on the stock exchange or other publicly quoted market system having the greatest volume of trading of the Shares for the five (5) trading days preceding the date that the written notice of exercise of the right is received by the Corporation.

Compensation Procedures

The Board is responsible for the determination of the compensation of senior management. See "Corporate Governance – Compensation Governance".

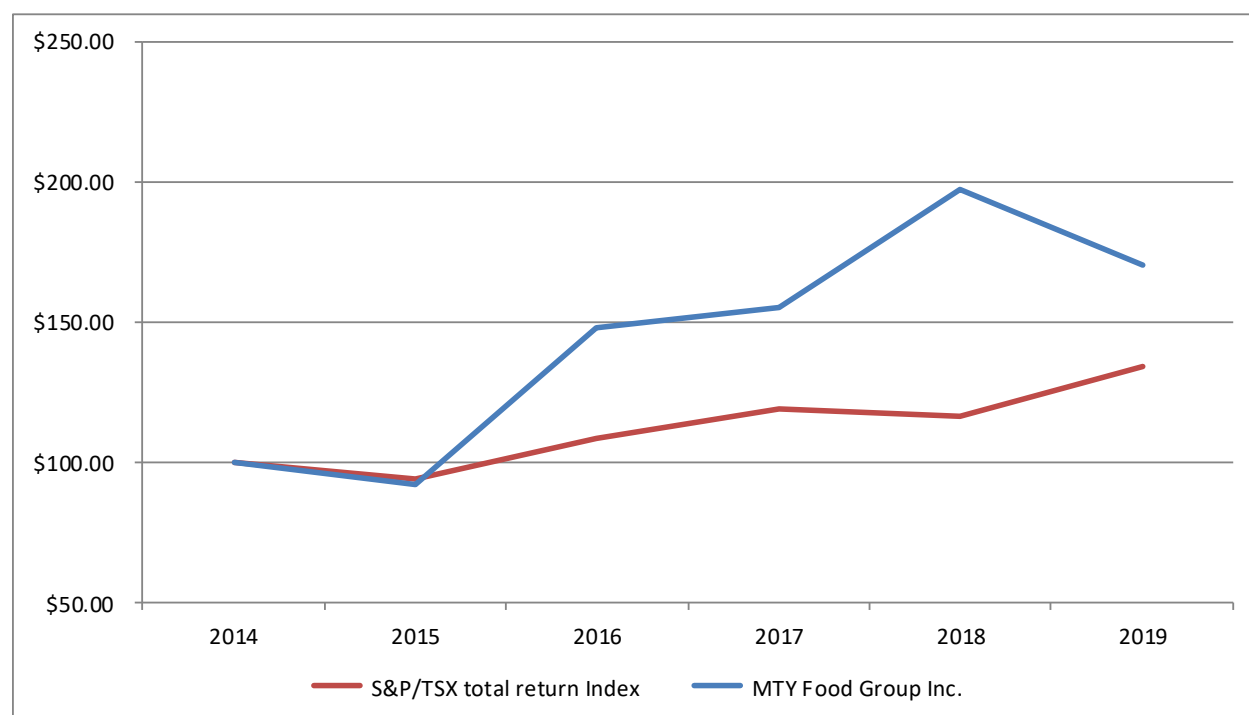

In consultation with the executive officers, the Board establishes the Corporation's general compensation philosophy and oversees the development and implementation of senior management compensation programs and policies. The Board reviews on a periodic basis the Corporation's executive compensation programs.

The Board annually reviews the compensation of the Chief Executive Officer, the Chief Financial Officer and the four Chief Operating Officers in light of the relevant Corporation's objectives. Based on such evaluation, the Board has the authority to set the compensation (including base salary, incentive compensation and equity-based awards) of each of the officers. In determining incentive compensation, the Corporation considers, among other factors it deems appropriate from time to time, the Corporation's performance and relative shareholder return and the awards given to management in prior years.

The Board reviews the terms of the Corporation's incentive compensation plans and other plans. The Board administers such plans, including determining any option or share-based awards to be granted to members of management under any such plan. There were no new actions, decisions or policies since March 28, 2019, that could affect the understanding of compensation for the Named Executive Officers for the financial year ended November 30, 2019.

Performance Graph

The following line graph and succeeding table compare the return, assuming an initial investment of \$100, with the cumulative total return, in respect of the S&P/TSX Composite Total Return Index compiled by the Toronto Stock Exchange for the five most recently completed financial years.

	2015	2016	2017	2018	2019
MTY Food Group Inc.	\$92.33	\$148.01	\$155.45	\$197.00	\$170.40
S&P/TSX Composite Index	\$94.16	\$108.71	\$119.15	\$116.13	\$134.38

The table below shows the total shareholder returns for the Corporation's common shares and the S&P/TSX Composite Index for the five fiscal years ended November 30, 2019, together with the variation in the total compensation of the five (5) named executive officers.

A very limited number of common shares or other equity-based compensation awards have been granted since 2005, with the exception of 2017 and 2019 during which some of the NEO's were granted stock options. The level of calculated compensation is therefore not directly correlated to the shareholder returns, mainly because salary is relatively fixed and generally unaffected by the day-to-day changes in shareholder returns.

	11/30/2015	11/30/2016	11/30/2017	11/30/2018	11/30/2019

ADVANCE NOTICE BY-LAW

MTY's By-Law No. 3 sets out advance notice requirements for director nominations (the "Advance Notice By-Law"). It was adopted by the Board on March 8, 2019, and confirmed by Shareholders at the annual meeting of Shareholders on May 2, 2019. The purpose of the Advance Notice By-Law is to provide Shareholders, directors and management of MTY with guidance on the nomination of directors. The Advance Notice By-Law is the framework by which the Corporation seeks to fix a deadline by which Shareholders must submit director nominations to the Corporation prior to any annual or special meeting of Shareholders and sets forth the information that a Shareholder must include in the notice to MTY for the notice to be in proper written form.

Pursuant to the Advance Notice By-Law, if a Shareholder intends to nominate a person for election as a director of the Corporation at the Meeting, other than pursuant to a shareholder proposal, such nominations must comply with the procedures set out in the Advance Notice By-Law, including providing timely notice in proper written form.

To be timely, the nominations must be made: (i) in the case of an annual meeting of Shareholders, not less than 30 days prior to the date of the annual meeting of Shareholders (no later than 5:00 p.m. (Eastern time) on March 31, 2020), provided, however, that in the event the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the "Notice Date") on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the 10th day following the Notice Date; and (ii) in the case of a special meeting (which is not also an annual meeting) of Shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting of shareholders was made.

To be in proper written form, a nominating shareholder's notice must set forth or be accompanied by, as applicable, the information specified in the Advance Notice By-Law regarding both the nominating shareholder and the person whom the nominating shareholder proposes to nominate for election as a director (a "proposed nominee").

Delivery of the notice pursuant to the By-Law may only be given by personal delivery, facsimile transmission or by email and shall be deemed to have been given and made only at the time it is served by personal delivery, email or sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) to the Secretary of the Corporation at: Corporate Secretary, 8210 route Transcanadienne, Saint-Laurent, Québec, H4S 1M5,

or, in the case of e-mail, to CorporateSecretary@mtygroup.com, or by facsimile transmission at: Corporate Secretary 514-336-9222; provided that if such delivery or electronic communication is made on a day which is not a business day or later than 5:00 p.m. (Eastern time) on a day which is a business day, then such delivery or electronic communication shall be deemed to have been made on the subsequent day that is a business day.

The Board may, in its sole discretion, waive any requirements in the Advance Notice By-Law. A copy of MTY's Advance Notice By-Law is available on our website at (www.mtygroup.com).
