**Gold-Tech Wins Computer Associates Partner Choice Reward as Top Affiliate Partner Sales Performer**

The Company is pleased to announce that Gold-Tech Computer Systems Ltd. ("Gold-Tech"), a wholly owned subsidiary of the Company, has been named by Computer Associates International, Inc. (NYSE: CA) as the top North American Affiliate Channel Partner sales performer for the 2002 CA Partner Choice Rewards sales incentive program.

"Customers rely on Gold-Tech for its cutting-edge IT solutions and world-class systems engineering experience," said Ira Simon, divisional vice president, channel marketing, CA. "We are delighted to honor the company as a Partner Choice Rewards Affiliate Partner winner."

The CA Partner Choice Rewards program, which ran from January 1 to June 30, 2002, awarded North American Affiliate and Premier/Enterprise authorized resellers points for selling select CA storage management, security management and enterprise modeling products. The Affiliate and Premier/Enterprise resellers with the most points at the end of the promotional period were awarded a Grand Prize.

"I am very pleased with the exemplary performance of our sales and technical staff in helping Gold-Tech win as the top CA Affiliate Channel Partner," said Winston Yau, President and Director of the Company. "We have always had a strong partnership with CA, and will continue to build our sales and service revenue using their exceptional products."

The Partner Choice Rewards Program was a 6-month promotion aimed at rewarding CA's top performing resellers in North America. Partner Choice Rewards is just one example of the many benefits of CA's award-winning channel partner program which provides dedicated sales, marketing and technical resources specifically to assist partners in their efforts to market, sell and support CA's expanding line of channel-ready eBusiness management solutions.
