**CALL CENTRE DEAL WITH INTELLIMARK, PENNSYLVANIA SIGNED**

The Company is pleased to announce that GT-CTI division of Gold-Tech Computer Systems Ltd., a wholly owned subsidiary of the Company, has signed a contract with Intellimark-IT Solutions of Pennsylvania. Intellimark combines world-class expertise and local accessibility to deliver solutions for the entire information technology life cycle.

The initial first phase of the contract signed by GT-CTI, is for the implementation, installation, configuration and complete set up of the Intellimark Contact Centres in Pennsylvania and Texas, the value of the contract is for \$ 450 000 Cdn, and is expected to increase to over \$1 Million Cdn over the next 12 months.

*"We deploy over 1,800 employees and consultants, across 32 U.S. locations to rapidly service our clients' information technology needs," states John Willet, President of Intellimark-IT Solutions. "With that type of commitment comes the responsibility of providing up to date resources for customer contact. We needed a unified, web-enabled contact center solution and provider that best suited our requirements. We looked at several "Best of Industry" vendors; GT-CTI and their Callcenter@nywhere platform was the clear choice".*

*"We are the most logical solution for any sized company looking to implement bleeding edge contact centre technology", says Steve Mann, Director of Business Development of GT-CTI. "Intellimark is part of a growing group of contact centres that recognize GT-CTI is way ahead of the pack when it comes to providing truly state of the art solutions and quickest time to market deployment".*
