**GOLDEN SKY INCREASES EQUITY INTEREST IN HIGH TECH**

Golden Sky Ventures International Inc. (the "Company") is delighted to announce that after last week's tender of their shares, the two Founding Principles of Insu Innovations Inc. ("Insu"), Khan Phimmasone and Joël Pomerleau have signed a three year employment agreement with Insu as President and Chief Operation Officer respectively. François Lacoste has agreed to stay on as Chief Technology Architect of Insu. The Company now owns 100% equity interest of Insu. Using Linux operating environments, Insu specializes in Internet and security related Internet business including websites and on-line electronic commerce.

The Company also is pleased to announce the execution of a MOU with Frank Lai and Tan Lai to purchase their remaining 24.5% equity interest of Gold-Tech Computer Systems Ltd. ("Gold-Tech"). Upon completion, the Company will increase its equity interest in Gold-Tech to 100% subject to the approval of the Canadian Ventures Exchange. Gold-Tech specializes in computer systems integration, hardware sales, and GT-CTI Division with its head office in Montreal and a branch office in Toronto. With over 45 well-trained, committed and loyal employees, management is very confident this strategic acquisition will even further fortify the Company's position within the Information Technology industry.
