NEWS RELEASE

MAJOR CYBER-SECURITY DEAL WITH PINKERTON’S OF CANADA

Golden Sky Ventures International Inc. (the “Company”) announced today that its wholly owned subsidiary, Insu Innovations Inc. (“Insu”) has signed a binding letter of Intent with Pinkerton’s of Canada Ltd. (“Pinkerton’s”) for the joint development and maintenance of Cyber-Surveillance Services. With the incredible boom of information technology comes a great demand to meet the mission critical security needs of modern business.

Together, Insu, with its continual developments of leading-edge technological innovations, and Pinkerton’s, with its renown reputation for providing high-level security solutions, will design/develop, promote, and maintain cyber-surveillance services for clients nationwide. Services provided will include continual “around the clock” monitoring of Internet Firewalls to ensure optimal performance and security. Insu will be responsible for application development and technical support while Pinkerton’s will oversee the actual surveillance, marketing and promotion of the service to its already existing strong client base and other third parties. Generated service revenues will be divided equally between Insu and Pinkerton’s on a fifty/fifty ratio.

“Costs and consequences associated with information theft or software sabotage are far too grave for any business to overlook today,” said Khan Phimmasone, President of Insu, “I’m truly excited at the limitless prospect of our joint efforts and resources. Our collaboration together will positively impact our ability to thoroughly cover the ever dynamic risks associated within the information technology field. Peace of mind- that’s what we offer, and I’m very confident this joint ventures will generate substantial revenue growth for all Companies involved.”

Insu, using Linux operating environments, specializes in the integration and development of Internet and security related projects dealing with design, implementation, and marketing of websites and on-line electronic service consultation.

Pinkerton's of Canada Limited is a leading provider of world-class, global security solutions, including uniformed security officers, investigations, consulting, business intelligence, security systems integration, and employee selection services. Founded in 1850, Pinkerton is the world's oldest and largest private security and investigation firm and has been providing quality services to Canadian industry and government since 1899.
